Ditch Maintenance & Phragmites

Phragmites are the primary invasive species target of Chesterfield Township. Phragmites create a major hindrance to our waterways: Reducing flow capacity to many of our drains, reducing visibility of the beautiful views of our lakes and streams, and limiting access for recreation by choking off our drains and streams. Phragmites are also limiting visibility along roadways, making unsafe conditions for drivers. Flooding and cutting in combination with multi-year herbicide applications can control Phragmites.

What can be done to control Phragmites?

- **Prevention:** Use clean equipment, free of the potential seeds which take root and expand quickly
- **Early Detection:** Know how to identify this invasive species
- **Rapid Response:** Begin mitigation the first season they are found

The best method of controlling Phragmites without the use of chemicals and herbicides is to drown the plant by the repeated cutting of stems below the waterline. It is best to cut it when the phragmites reach four feet or more above the waterline, and by cutting the stems as low as possible below the waterline.

The best method of controlling Phragmites without flooding, is achieved with a multi-year plan of cutting in combination with herbicide and surfactant applied Mid-August through September.

When is the best time to cut?

- November through May
- Not within the first two weeks following a herbicide treatment
- If cutting with riding equipment the best time to cut to avoid soil disturbance is when the ground is frozen, late January.

What do I do with the cuttings?

- Roll down and leave in place
- Mow down and leave in place
- Mow down and remove from the site in bulk
- Hand cut and bag them for removal with trash
- Hand cut and bag the heads only and remove with trash

Mandatory Odd/Even Sprinkling Restriction

A mandatory odd/even sprinkling restriction runs from Memorial Day to Labor Day each year.

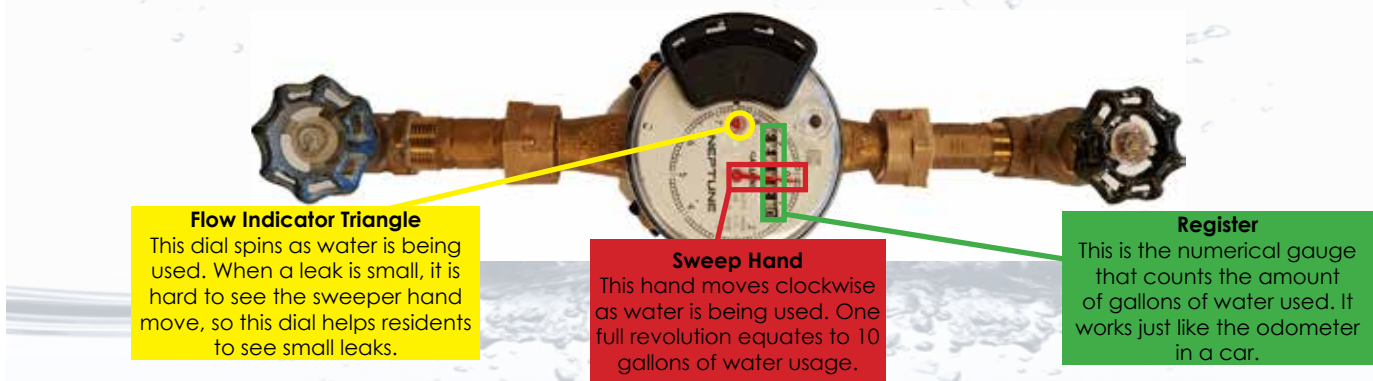

Designated hours for all sprinkler systems is from 12:00 A.M. to 5:00 A.M.

Addresses that end in an **ODD number: Water lawns on **ODD** calendar days**

At Home Leak Detection

Option 1: Before going to bed, ensure all water using appliances are not running. Write down the numbers on your water meter register. Immediately after waking up, before any water usage, write those numbers down again. If the number has increased, a leak is present.

Option 2: Mark the location of the water meter sweep arm with a piece of tape or another sticky item that will stay in place. Write down the numbers on your register. With all water using appliances off, check your meter periodically to see if the sweep hand moves. If so, a leak is present.

Macomb County Spotlight

Animal Control

The Macomb County Animal Control mission is to protect the health and safety of our residents and to protect the animals and promote their humane treatment. Animal Control has adopted a no-kill philosophy and will make every effort to promote the live release rate of healthy, non-aggressive animals through adoptions, returning strays to their owners, treating medical cases and working with approved rescue organizations. Animal Control division's services include pet adoptions, lost and found for pets, animal cruelty and neglect investigations, dog licensing, animal bite reports, and rescue services for domestic animals.

Health Department

In partnership with the communities we serve, the mission of the Macomb County Health Department is to protect the health and well-being of all who live, work, and play in Macomb County. We provide a wide range of programs and services related to environmental health, family health, disease control and community health.

Chesterfield Township is located in Eastern Macomb County along the shoreline of beautiful Anchor Bay.

The Township covers 30.6 sq. miles, approximately 27.6 sq. miles of land and 3 sq. miles of water.

LONG STORY SHORT.....

There are certain actions that cities — such as New Baltimore or St. Clair Shores — are legally permitted to take that townships like Clinton, Macomb, Shelby, or Chesterfield are not authorized to do under state law.

In Michigan, the distinctions between townships, cities, and villages can be difficult to recognize. However, these differences are significant — especially for those responsible for managing township operations and setting local policy. Townships and counties are statutory governments, meaning they possess only the powers expressly granted or clearly implied by state law. In contrast, cities and most villages have home rule authority, allowing them to exercise any powers not specifically prohibited by law.

DID YOU KNOW?

As a sub-recipient of SMART funding Chesterfield Township contracts services through Richmond Lenox Community Transit to provide our senior and disabled residents cost-free, door-to-door, round-trip transportation service to grocery stores, banks, work, pharmacies, day trips, medical appointments, procedures and more.

REGISTRATION PROCEDURES

Pre-registration is required for all activities in the Senior Center and offered through the Parks, Recreation, and Senior Services Department. Registrations are accepted, in-person, at the Chesterfield Township Municipal Offices, 47275 Sugarbush (N. of 21 Mile, S. of Cotton.) Cash, check, credit card or money order is accepted for walk-in payments. The customer will incur a service fee for credit card transactions. Enrollment can be done for most classes and activities by visiting our website at parks.chesterfieldtwp.org. Click the "REGISTER NOW" tab on the left side of the screen. Follow the prompts using your email address for login to the registration system. Facility reservations and select programs are not available online. Call the Parks, Recreation, and Senior Services Department at 586-949-0400 ext. 4 for further information. There is a free-standing Drop Box located in the front circle drive at the Township Municipal Offices for after-hour enrollment. To register by mail or drop-box, enclose a check made payable to Chesterfield Township along with the appropriate registration form. The Parks, Recreation, and Senior Services Department is unable to prorate fees due to late registration or partial attendance. It is the responsibility of the participant to update their phone, email, and address to receive the most current information.

REFUND POLICY

The Chesterfield Township Parks, Recreation, and Senior Services Department will consider refunds for programs and sports leagues under the following circumstances.

1. If a program is canceled by the Parks, Recreation, and Senior Services Department, the participant will receive a full refund.
2. Refunds cannot be processed for one-time programs, bus trips, ticket sales or special events.
3. For programs meeting three times or less, refunds requests must be made prior to the first meeting.
4. For programs meeting four times or more a refund will be considered prior to the second scheduled program meeting. A refund request will be accepted and reviewed by submitting a Refund Request Form. A processing fee of \$5.00 or 10% of the program base price will be assessed to all approved refunds. Additionally, any cost incurred by the Parks, Recreation, and Senior Services Department (uniforms, tickets, apparel, food, supplies, equipment, contractual expenses, etc.) will be assessed against the fee to determine the refund. Refunds will not be processed after the second scheduled program meeting.
5. Refunds for in-person registrations will be issued by check from the Finance Department. Please allow approximately 3 to 4 weeks for checks to be issued. Refunds for online registration transactions will be returned to the credit card used for purchase.
6. Refunds to payments issued by check require a 10-day waiting period prior to processing.
7. Transaction/Convenience Fees for payments made by credit card (in-person or online) are non-refundable.
8. In-house credits are not available. If a transfer to another program is requested, the participant will be fully refunded and charged separately for the full fees of the newly requested program.
9. All participant-initiated refund requests should be made in-writing and submitted to Parks, Recreation, and Senior Services Management for approval. Written documentation of the refund request is required to protect the department and the requestor.
10. All refund requests are subject to review by Parks, Recreation, and Senior Services employees and the Treasurer's Office.
11. Chesterfield Township Department of Parks, Recreation, and Senior Services reserves the right to review these procedures and administer refunds in the best interest of the participants and by generally approved accounting procedures.

ACTIVITY CANCELLATIONS

Chesterfield Parks, Recreation, and Senior Services reserves the right to cancel an activity or program because of a lack of enrollment or other circumstances beyond its control. If a cancellation is necessary, enrollees will be contacted by phone or email, and a full refund will be processed.

Anchor Bay Chamber of Commerce: The Chamber with Heart

The Anchor Bay Chamber of Commerce is the driving force behind business growth and community connection in our region. Serving eight vibrant communities, we are dedicated to supporting local businesses, fostering economic development, and creating opportunities for success.

The photo is from the 2025 State of the Bay address, featuring Supervisor Brad Kersten, Mayor Tom Semaan, Supervisor Antony Reeder, Supervisor Ken Verkest, Village President Brian Meissen, Chamber President Lisa Thomas and Chair of the board, Jennifer Fleming. Hosted at Zucarros Banquets in Chesterfield Twp.

Our tagline is “The Chamber with Heart” and that is because we go beyond networking and we advocate for businesses, provide valuable resources, and host events that bring people together. From ribbon cuttings and business spotlights to educational workshops and large-scale community events, we help businesses thrive while enhancing the quality of life in our area.

Joining the Anchor Bay Chamber means gaining access to a strong support system, increased visibility, and meaningful connections. Whether you’re a new entrepreneur or a well-established company, we invite you to anchor your business in the community with us. Learn more about how we can help you succeed

FAN – New program “Healthy Families”

Formerly Families Against Narcotics

Face Addiction Now (formerly Families Against Narcotics) has launched Healthy Families, a new program offering compassionate, wraparound support for parents, caregivers, and families affected by Substance Use Disorder in Macomb, Wayne, and Oakland counties.

Designed to meet people where they are, the program helps families create safe, stable, and nurturing home environments.

Services include case management, basic needs assistance (like food, diapers, and childcare), treatment navigation, access to prenatal and medical care, harm

reduction education, and support navigating Children's Protective Services or the legal system. Families can also connect to healing-centered support groups and receive ongoing, encouraging follow-ups from FAN's trained staff.

"This initiative is about meeting people with compassion, not judgment," said Program Director Kim Baffo. "Every family deserves the opportunity to heal and thrive." To sign up or refer someone to the program, visit tinyurl.com/FANFamiliesProgram or call (586) 909-8198.

(Open to residents of Macomb, Wayne, and Oakland counties only.)

Collaborations in our Community

Susie Q's Kids, Comforts Kids in Need. Dr. Mary Welsh co-founded Susie Q's Kids in honor of her late daughter, Susie, who died from Sepsis and knew the value of a teddy bear, lap blanket, coloring books, and activity items.

Visit our website: <https://susieqskids.org/>

The comfort bags are tailored to the needs of the nonprofits throughout Southeast Michigan and beyond who distribute our bags to kids in their programs. Susie Q's Kids recognizes the need and intentionally partners with them, providing kids the food, clothing, resources, and professional help for their journey of hope and healing. Also, it strengthens the missions of our nonprofit partners.

Beyond the bag, Susie Q's Kids has created a collaborative community of kids, students, youth and church groups, service organizations (like the Sterling Heights Lions, Clinton Valley Kiwanis, Central Macomb Optimists, Rotary), and business/organizations with their team members to promote mental health and well-being, and options for volunteering and providing service projects.

Interested in learning how to partner, collaborate, sponsor, create a donation collection drive, or serve with us?

Become a Smile Maker, contact Dr. Mary Welsh at drmary@susieqskids.org or **586-206-8424** to explore ways to engage your children, youth groups, teams, and employees to make the world a little better for a child.

Help us spread hope, healing, and smiles. We are better together!

Empowering Abilities, Enriching Lives– TrueLife Academy

TrueLife Academy is a nonprofit organization dedicated to supporting special needs individuals ages 18 and over. Our mission is to create inclusive opportunities through engaging social activities, essential life skills training, and vocational workshops. With a long-term goal of evolving into a full-service day program and residential community, we are committed to helping our participants live more independent, fulfilling lives.

To support our programs, we host several community fundraisers throughout the year. Join us for our Cornhole Fundraiser on October 4th from 2–5 pm at Great Shots Backyard Bar and Games, and don't miss our Second Annual Scrapbooking Fundraiser coming in March 2025, following the tremendous success of our first event.

We've included photos showcasing the fun and connection built through our social events, along with highlights from last year's unforgettable scrapbooking fundraiser. These moments reflect the heart of our mission and the strong community we are building together.

We invite you to learn more about our mission and see the joy on the faces of our participants by checking out photos from past social events and fundraisers. For the most up-to-date information, visit our Facebook page and our website at truelifeacademyinc.org. Together, we can build a brighter future—one life at a time.

Why Now is the Right Time to Buy a Home: Mortgage Market Update

If you've been thinking about buying a home, now may be the right time to take the leap. With the mortgage market showing signs of stability and home prices stabilizing, many buyers are finding this moment offers a unique opportunity to secure long-term financial stability.

Fixed-Rate Mortgages: A Smart Choice for Stability

As more buyers opt for fixed-rate mortgages, locking in a stable monthly payment, it's clear that this is an ideal time to take advantage of predictable loan terms. In uncertain times, a fixed-rate mortgage offers peace of mind, ensuring your payment stays the same for the life of the loan. This is especially important for buyers looking to avoid the unpredictability of adjustable-rate loans.

Refinancing Could Work for You, Too

If you already own a home, refinancing could be a great way to lower your monthly payments or consolidate debt. With many homeowners taking advantage of refinancing, this could be the moment for you to adjust your mortgage terms to better suit your financial goals.

The Housing Market is Stabilizing—Don't Miss Out

While home prices have slowed after a period of rapid growth, many areas still have strong demand, and inventory remains limited. This means that homes in desirable locations are still selling quickly. By acting now, you can secure a home before prices potentially rise again or available properties become even scarcer.

In short, with stable mortgage options, steady home prices, and the potential for long-term financial benefits, now is a smart time to buy. Whether you're a first-time homebuyer or looking to refinance, taking action now could help you lock in favorable terms for years to come.

The market in Chesterfield Township remains strong with continued low sales as the result of low inventory. This trend does appear to be reversing as the year-over-year figures suggest. Please note that with small amounts of data, average sale price is likely to fluctuate, noticeably, and is a less reliable indicator than Days on Market.

Stats and Trends provided by the Grosse Pointe Board of REALTORS® All information deemed reliable but not guaranteed and should be independently verified. Information was derived from a variety of sources including, but not limited to, Realcomp II Ltd. and the Great Lakes Repository®.

¹The Absorption Rate is the rate of home sales taken by dividing the number of sales by the inventory. Above 18.3% is considered a seller's market.

UNDERSTANDING THE NUMBERS

Average Sale Price – Healthy: While down slightly, which prompts the red, the first quarter of a year compared to the last quarter of a year is a questionable comparison in a market where new construction is significant. The Absorption rate above 20% indicates the market still favors sellers. However, while the rise in inventory suggests sellers need to be competitive, buyers have more options.

Number of Sales – Fair: Would love to see this number higher. It would indicate buyers are taking advantage of this less competitive market because prices will continue to increase, and interest rates are unlikely to fall significantly because of continued deficit spending by the government.

Days on Market (DOM) – Good: While not what most sellers are accustomed to, at less than two months it is not suggesting any kind of worrisome slowdown. Also, the continued closing of new construction sold early in the construction process elevates the DOM.

Inventory – Improving: Increases in inventory without a damaging impact on home prices is a good thing. A noticeable slowdown in sales in Q2 would signal a concern. However, signed contracts to purchase for March through May is on par with last year, which means that slowdown is unlikely to appear.

Absorption Rate – Supports seller: Buyer's still need to be smart when making an offer to purchase. However, the increase in inventory and a more modestly paced market provides the opportunity for wise decision making.

An absorption rate between 15.4% and 18.3% is considered a market in balance. Higher favors sellers, lower favors buyers.

An aerial photograph of the Shea MEGA EAST car dealership. The building is a single-story structure with a blue and white color scheme. Large American flags are flying on tall poles in the foreground. The parking lot is filled with various cars. Overlaid on the image are several promotional graphics. In the top right, there is a white starburst graphic containing the 'Shea' logo in blue script and 'MEGA EAST' in red and yellow block letters. In the bottom left, there is a large yellow and black graphic that says 'Buy or Sell YOUR VEHICLE' followed by 'SHEAMEGAEAST.COM', '29425 23 MILE RD, CHESTERFIELD, MI 48047', and '(586) 500-8950'. In the bottom right, there is a white circular graphic with blue and black text that says '10% Off POLICE/FIRE MILITARY/SENIOR' and 'RECEIVE 10% OFF ANY SERVICE & BODYSHOP AT SHEA MEGA EAST'.
